

Feel Weak, Tired, "All Played Out"

Prince had been taken from the stranded vessel Monday.

The steamer ran aground in the Lachine canal last night and was resting on a narrow ledge of rock in water not more than three feet in depth.

DUM-DUM BULLETS USED IN AMBUSHADE

(By The Associated Press)
Dublin, Aug. 1.—Among the 15 irregulars captured by the national army after last night's ambush of government troops near Maryboro, dum-dum and explosive bullets were found, says the official report of the affair.

The nationalists lost two colonels and five soldiers killed and seven wounded in the ambush and in the fighting which followed after reinforcements for the free states came up.

Motor cars and husbands are fairly easy to get, but the trouble is that ticks have it in keeping them after they get them.

HALF BILLION ADDED TO EUROPEAN DEBT

Washington, Aug. 1.—Another half-a-billion dollars will be added to the war debt of European nations to the United States government, raising the total above \$12,000,000,000.

Treasury department officials have been forced to this conclusion by the findings of the funding commission

SUNBURN

Eased by Vicks, or
Prevented Entirely

If your skin is so tender that you expect sunburn, rub it well with Vicks before exposure.

After sunburn, apply Vicks gently—do not rub in. It soothes the tortured skin and often prevents blistering.

For any outdoor vacation, Vicks is "standard equipment." It eases attacks of hay fever, asthma, catarrh and summer colds.

It's fine, too, for sore muscles, tired feet, poison oak, or ivy, and for bites and stings.

Boy of Noble Parentage, Who Disappeared From Russia, Is Found In the United States

(By The Associated Press)
Clinton, Ill., Aug. 1.—A native wife search for a son of Russian nobility ended Sunday when representatives of the Red Cross society located Leon Czarowitch Gansoff in Clinton serving as a private in Company L, 12th light artillery. The identification was made complete by a scar on the lad's left hand.

Search for the lad had covered several years, the hunt being made difficult on account of Gansoff changing his name twice. At the age of 14, the boy crept into the American lines in France after all his relatives had been killed. Caught by doughboys and smuggled into a transport by George Lance, a cook in the American army, he came to America. He was held at Camp Devens until adopted by Lance, who took him to New Albany. Lance married and the adopted son went to Chicago to make his way. A letter to the Lance family was forwarded to Chicago and the boy was traced to Clinton.

L. S. Conner, Red Cross representative of Allentown, Pa., was here Sunday questioning the boy. He says he comes from a leading Russian family but all his relatives are dead although influential friends of the family live in the east.

Gloria Swanson has just returned from Paris where she went to collect costumes and to absorb European atmosphere, but she admits that in this country the designers can turn out things just as novel and bizarre as they can in the French capital. She is shown above in a costume she wore in "Her Gilded Cage," which, she says, outshines anything she discovered on her trip.

"JACK THE GIANT KILLER" GETS FIRST KISS

By The Associated Press
Los Angeles, Aug. 1.—Marilyn Miller, famous stage star, became the bride of Jack Pickford, film favorite, at the home of the groom's sister, Mary Pickford, and brother-in-law, Douglas Fairbanks, at Beverly Hills, a suburb yesterday. The couple plan to leave today for their honeymoon but refuse to say where it will be passed.

BRITISH TROOPS ARE CROSSING THE BOSPHORUS

By The Associated Press
Constantinople, August 1—British troops today were being transferred across the Bosphorus from the Asiatic to the European side, crossing Constantinople on their way to the Tchatalja line, 20 miles west of the city to reinforce the French troops.

The allied military staff has coterminously announced that under no circumstances will it permit a Greek advance upon Constantinople. The concentration of Greek forces in Thasos is continuing.

Same Old Story But a Good One

Mrs. Mahala Barnes, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."
